

I'd tell you a pencil pun, but it'd be pointless.

I finally hung up all of my pencil drawings.
But I'm afraid it makes my house look kinda sketchy...

Who's in charge
of the pencil case?

The ruler

Where do pencils
go on vacation?

Pencil-vania

William Shakespeare chewed on his pencil so much...
...that eventually he couldn't tell if it was 2B or not 2B.

A pencil isn't my favorite writing tool...
...but it's a solid number 2

Why can't pencils move?
Because they are stationery

When it comes to sharpening pencils
...there's never a dull moment.
